session guide

EVERYTHING YOU NEED TO KNOW
BEFORE YOUR LITTLE ONE'S BIG DAY

RELAXED. PLAYFUL. BABY-LED.

beautifully you

HOW THE SESSION WORKS

We keep the session relaxed, natural and baby-led.
Here's how it flows:

SETTLING IN & SIMPLE PORTRAITS

When you arrive, we'll take some time for your little one to get comfortable in the studio.
We'll start with relaxed, natural photos without the cake.
This helps your child settle in and feel at ease.

SMASH CAKE TIME

Once your little one is happy and confident, it's time to introduce the cake and let the fun (and mess!) begin.
We'll capture all the giggles, curiosity and sweet moments.
No pressure, just play!

Every baby is different, and that's perfectly okay.
We go at their pace and follow their lead to capture
genuine moments and real expressions.

WHAT TO BRING

Bringing a few familiar and comforting items can help your little one feel happy, secure and ready to enjoy the session.

OUTFITS

Bring 1–2 outfit options for your little one. Neutral tones and soft textures photograph beautifully.

FAVOURITE TOY OR BLANKET

A familiar item can bring comfort and help your baby feel at ease in a new environment.

PACIFIER

If your little one uses a pacifier, please bring a spare — just in case!

ANYTHING YOUR BABY NEEDS

Diapers, wipes, snacks, bottles, extra clothes — whatever your little one needs to stay happy and comfortable.

The more prepared you are, the more relaxed your baby will be — and that makes for the sweetest photos.

We've got this! ♥

WHAT TO EXPECT

Here's what you can expect from your smash cake session.

NATURAL ATMOSPHERE

Our studio is warm, cozy and baby-friendly. We keep the environment calm and relaxed so your little one can feel safe and comfortable to be themselves.

NO PRESSURE, JUST PLAY

There's no expectation to pose or perform. We follow your child's lead and capture real, beautiful moments as they unfold.

GENTLE GUIDANCE

I'll guide you and your little one every step of the way — from what to do to where to look (and sometimes what not to worry about!).

TIME FOR BREAKS

Need a cuddle, a snack or a little reset? Of course! We go at your baby's pace. There's plenty of time.

Every baby is different, and that's perfectly okay.

Some are busy explorers, some are shy observers, and some just want to taste the cake right away! I celebrate every personality.

Giggles, serious faces, tiny hesitations — it's all part of the story.

And yes... I might ask you to make a silly face, dance like a penguin or make funny noises! 😊

THE BEST SMILES (AND THE CAKE-COVERED GIGGLES!) often come from a little bit of silliness behind the camera. So don't be shy — I need your help to make magic happen!
